

Natural Bridges High School & Career Training Center

is a program for students in grades 10-12 seeking employment training while earning credits toward high school graduation. The program includes training for careers in agriculture, construction, alternative energy, habitat restoration and computers; courses in local ecology, history, economics, as well as other graduation requirements; and instruction in written and spoken communication, presentation and leadership skills.

School-Wide Goals

In Alternative Education, we become more...

Literate	Knowledgeable, life-long learners.
Ethical	Kind to ourselves, others, and the world.
Empowered	Prepared to create our futures
