

Quetzal

Escuela Quetzal is a school counseling program designed for youth who are willing to actively participate in counseling services to learn how to make empowered decisions toward positive personal growth. The program is made possible through collaboration between Youth Services and the Santa Cruz County Office of Education. Each day students attend core academic classes and receive group and individual counseling. Family and community involvement are also important components of the program. Along with academics, students are offered courses in art, music, vocational education, sports, an organic garden, and computer training.
