## ABOUT ROOTS & WINGS

In Santa Cruz County, many children are removed from their families every year due to abuse and neglect. Roots & Wings works to make sure that children are able to stay in their communities, neighborhoods and schools. We help resource families provide lifelong connections for foster children of all ages.

# SUPPORT FOR RESOURCE PARENTS

## ROOTS & WINGS

GIVE A CHILD ROOTS TO GROW  
&  
WINGS TO FLY

## FOREVER FAMILIES THROUGH ROOTS & WINGS

Resource parents can create strong bonds that will last a lifetime by adopting a child or by maintaining a lifelong connection even after the child returns home.

Roots & Wings does not view fostering as a temporary commitment. Our goal for each child includes security, stability, and permanency. Our services and resources are designed to help foster children stay rooted in their communities and have access to the support they need to be successful throughout their lives.

**Roots & Wings is here to support you every step of the way.**  
Call us at (831)345-2700 for more information.
